Re: United States v. Ray, No. 00-cr-196

Dear Judge Glasser,

The Federal Defenders represents Mr. Lawrence Ray in a pending criminal case in the Southern District of New York, under docket number 20-cr-110. In preparation for Lawrence Ray's presentence interview in that case, I am writing to respectfully request that the Court order the release of Mr. Ray's presentence report from his prior case, *United States v. Ray*, 00 Cr. 196 (ILG), to his current lawyers.

Accordingly, we respectfully request that the Court grant the Federal Defenders permission to access his prior presentence report.

Sincerely,
